Junction Triangle Boys & Girls Club Renovations at 45 Ernest Ave

Toronto- June 3rd 2010: The Dovercourt Boys & Girls Club is proud to announce that Gap Inc will be joining the Club in renovating our new Junction Triangle Boys & Girls Club on June 3rd, 2010 from 9am-4pm.

Over 40 employees from Gap Inc will be coming to the new Club at 45 Ernest and assisting us in renovating the new space that will be the new permanent home for the Junction Triangle Boys & Girls Club at 45 Ernest Ave, Toronto, ON. Gap is one of the Club's biggest supporters and we are extremely proud that they have come on-board as a partner in completing this project.

The new location at 45 Ernest Avenue is a 7,000 sq foot building, which is currently being renovated. The new location will open up an additional 120 spaces for community youth to attend a safe and positive after school and day camp program. The Club has been appealing to corporations and individuals to donate building materials and labour to complete the renovations as a community "Barn Raiser" and is proud to announce Gap as a new partner.

We invite the media to join us on June 3rd between 9am-4pm to see the Gap team in action as they spend all day working tirelessly in making the Junction community a better place to live.
