

The Georgetown South (GTS) Project will provide infrastructure improvements to meet existing GO Transit ridership demand and future growth. It will also accommodate the new Union Pearson Express service between Union Station and Pearson International Airport. This project is one of the key elements of The Big Move.

Help Choose Your Community's Public Art!

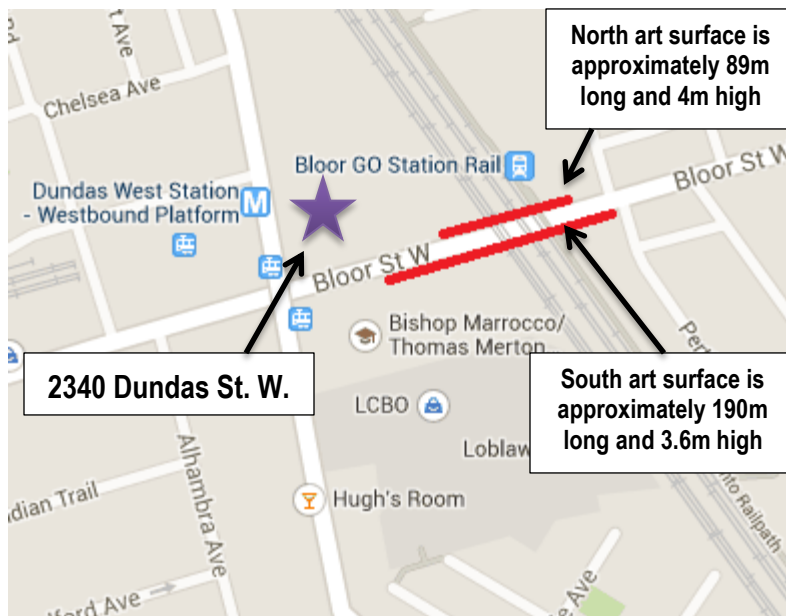

Bloor-Perth Underpass Art Project Consultation

Crossways Employment and Social Services
2340 Dundas St. West 3rd floor suite 302
Wednesday, March 4, 2015
6:00pm – 8:00pm

Metrolinx and the City of Toronto's StreetARToronto (StART) program have teamed up to deliver locally-inspired public art that deters graffiti-vandalism while adding vibrancy and artistry to the community. This is one opportunity to review preliminary concepts and let the artists know what you want the art in your community to look like.

The concepts will also be posted **online** for review and feedback at www.gotransit.com/gts from **March 5th to March 11th**. The successful artist will be chosen based on various criteria, including how the community's input is represented in their final design.

Future Location of Public Art:

Note: 2340 Dundas St. West is located across the street from the Dundas St. West TTC Station. Elevators to the 3rd floor (Employment & Social Services board room) are located beside the Toronto Public Health office on the main floor. Underground parking is available at the rear of the building.

For more information please contact Loretta at 416-241-2300 or e-mail gts@gotransit.com
