Dear Parents/Guardians:

We are very pleased to share with you that, as of September 2014, an Early French Immersion program will be introduced at Perth PS.

As many of you are already aware, the current French Immersion school that had been serving the Perth community is full. For the first year, the Perth program will consist of a single Full Day Kindergarten classroom. Those parents who applied for the program online as part of the usual application process will receive confirmation of their acceptance into the program at Perth from the French as a Second Language office.

We are excited about the addition of this program to our community and look forward to its introduction this fall. We should also thank all of the parents and community members who have supported this initiative over the past few years.

For more information on the French Immersion program, visit the TDSB web site at www.tdsb.on.ca and follow the path Elementary School>School Choice>French Programs>French Immersion.

Sincerely,
