## Spring Cleanup day

Saturday, April 24<sup>th</sup>, 2010 - 9:00 am - Noon

Sunday, April 25<sup>th</sup>, 2010 - 9:00 am - Noon

**Where: Meet at the South end of Sterling and Perth @9am**

**This is your opportunity to get out of the house and meet your neighbours Old and New.**

**If you have extra paper Garden Bags, please bring them as we always run out.**

**CASTLEPOINT has provided all the cleanup supplies for this event.**

**Please bring your own brooms and dustpans.  
We'll also need use of a rake and a shovel.**

**The hope is the bulk of the large garbage can be collected and placed out Saturday for Pickup, and the balance of Garden Waste and some residual late arrival garbage can be placed at this spot for Tuesday Pickup (since the city won't do a pick up on Sunday or Monday!)**

**This is a great event to meet your neighbors, but if you cannot make either day please try to sweep in front of your property and clear off any garbage from your fronts (porch and yard).**

**This is the chance to have our streets shine and it is really a fun time!  
Thanks to CASTLEPOINT for the donation of the cleaning supplies.**

**Philip Share and Brett Rycombel  
South Perth and Sterling Road Residents Association**
