

★ VOLUNTEERS NEEDED ★
 for a new
 Community Bike Project!

Do you like bikes?
 Would you like to get more
 involved in your community?

The Davenport West Bike Project, which is committed to promoting bike culture and healthy living, is looking to build a core team of volunteers to help run the project and spread the word about this exciting new biking initiative.

Volunteers will learn bike repair skills, organize free community bike clinics, and lead group rides.

All ages welcome. No previous experience with bikes necessary. Second language an asset.

To become part of this exciting team apply by emailing Gabrielle Langlois at glanglois@dpnc.ca, calling at 416.656.8025 x377 or stop by DPNC at 1900 Davenport Rd (west of Lansdowne). Training provided.
