WARD 18 PLANNING TOWNHALL

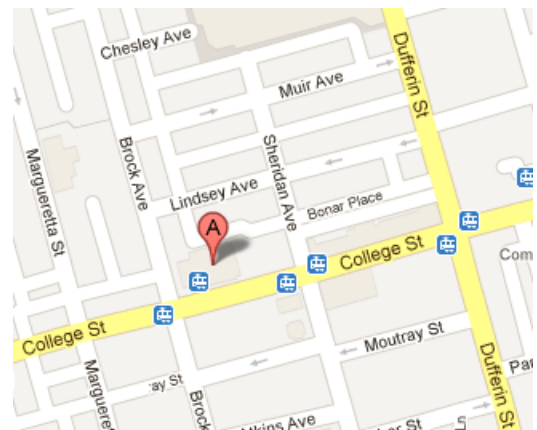

Dear Neighbours,

As you are no doubt aware, Ward 18 is going through a great deal of growth and development due to the fact that we live in a very desirable area. Many new development applications are currently being proposed and this will have a future impact on Ward 18. While this change is coming, we have a tremendous opportunity to manage this change, to guide this process, and to work together for a combined vision of what we want to see for our neighbourhoods.

For this reason, I have organized a Ward-wide Planning Townhall.

On October 27th, at St. Helen's School (1196 College Street) from 1:00-4:00PM, please come and see plans for future projects and learn about development in our ward.

Date: Oct. 27th
Start Time: 1-4pm
Location: St.
Helen's School
(1196 College Street)
