

Kick-Off Public Meeting Bloor Dundas 'Avenue' Study

Tuesday, July 8, 2008

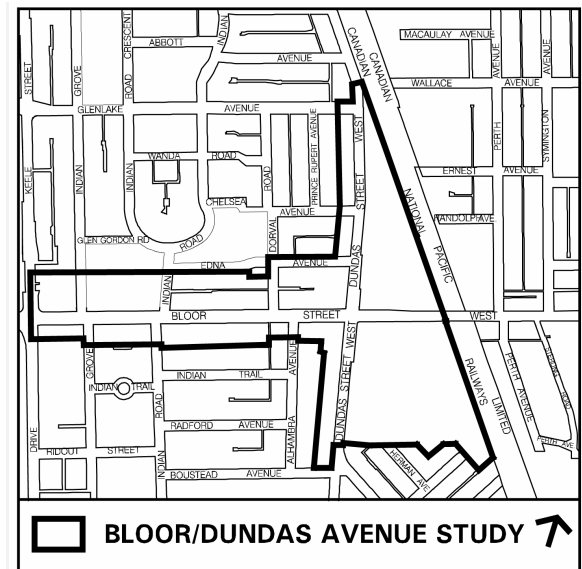

6:30 p.m.

**Saint Joan of Arc - Gymnasium
1701 Bloor Street West**

Bloor Dundas 'Avenue' Study

The City is undertaking a study for the portion of Bloor Street West between Keele Street and Dundas Street West and for Dundas Street West between Glenlake Avenue and Boustead Avenue (see inset map).

The purpose of the Bloor Dundas 'Avenue' study is to create a framework for new development and identify needed service, transportation or streetscape improvements. The City Planning Division's recent Bloor Street Visioning Initiative will inform the study's work and help shape a vision for the area

Join us! Come learn about the study and how you can participate.

Looking for more information? Visit www.toronto.ca/planning/bloordundas.htm to learn more about the Bloor Dundas 'Avenue' study.

If you have any questions, please contact Corwin Cambray, Senior Planner, at (416) 397-0244 or email at ccambra@toronto.ca
