Dear Friends and Neighbours,

On June 13, 2009, we are hosting the 2nd annual Community Festival at Perth Avenue Park. Last year's event turned out to be an outstandingly fun day for all and we are ready to have even more fun this year.

The whole day has been planned to entertain everyone. There will be face painting, games, food and so much more. There will also be a professional DJ to MC the live performers and to keep everyone dancing. *The Boys and Girls Club* from across the GTA will be performing and will take part in a singing and dancing competition. Surprise guests will be popping up throughout the day. There is something for all ages. Everyone is welcome.

We are a group of involved and caring residents, along with *The Boys and Girls Club* and the Office of Councillor Giambrone, are asking for your support and generosity in making this event possible. *The Dovercourt Boys and Girls Club* has stepped forward and is acting as our trustee (charity #: 12772-2304-RT0001). Tax receipts will be given upon receiving a donation. A community table will be provided where you can advertise your business by leaving out flyers or business cards.

Your donation will provide valuable support for this wonderful event, as well as, precious support for community development for a neighbourhood in need. It is an event where the long term benefits and goals are to make this community a better place to **live, work and play**.

On behalf of the community, thank you. We look forward to your support.

Sincerely,

2009 Community Festival Committee
